New Temati Distributor in Norway

Beverwijk, February 16th, 2016

Looking for ways to further improve our service level in Norway has always been a high priority for us. It is therefore with great pleasure, that we inform you, that company J.H.Bjørklund AS in Skien, is our new partner and official Temati distributor for Norway.

With its office, warehouse and technical sales team in Skien, J.H.Bjørklund AS will be able to supply all Temati products, such as Foster®, Handi-Foam®, Protectem Flangebelt™ and Tembutil-IF™, and will be able to give all possible technical and logistical support at the same time.

For all your questions and requirements regarding Temati products, please contact J.H.Bjørklund AS at:

Borgestadbakken 2
3712 Skien

Telefon: +47 67 16 66 70
Epost: bestilling@jhbjorklund.no

It is our intention to create only benefits for you, so any price agreement will remain as it is, but you will have the advantage of a local support and logistical network. If you have any questions or if you want to learn more about our products and companies, please contact J.H.Bjørklund AS or visit:
